In caso di porte reversibili (Univer-Rever) specificare nell'ordine il senso di apertura della porta, se non precisato la porta viene fornita destra (DX) a tirare.

Specificare nell'ordine il lato di applicazione Decoro :  
lato tirare (cerniere) o lato spingere (opposto cerniere)

La verniciatura base porta (anta e telaio) é compresa nel prezzo del Decoro.

Decoro NDD diverso sui due lati porta ma con stesso colore di base dell'anta e del telaio, calcolare il prezzo del 1° NDD sommando il prezzo del 2° NDD.

Decoro NDD diverso sui due lati porta e con anche diverso il colore di base: A RICHIESTA

Considerato l'importanza di vedere l'immagine completa di alcuni decori FANTASY, si consiglia di verificare bene la combinazione con oblò, griglie, maniglioni, fascioni e zoccoli, ecc.

In caso di oblò, le cornici metalliche rettangolari e rotonde, vengono verniciate nel colore base dell'anta. A richiesta (senza sovrapprezzo) le cornici rotonde possono anche essere vernicate nel colore telaio.

Nelle porte Proget a due ante, con NDD FANTASY che interessa tutta la superficie dal lato a spingere, il montante centrale é previsto rivestito con un lamierino decorato.

L'immagine NDD puó essere adattata (ingrandita o tagliata) in funzione delle misure della porta e si potrá visualizzare nel file PDF che sará inviato per approvazione.

**SPECIFICATIONS :**

When ordering reversible doors (Univer-Rever), specify the opening direction in the order. If not specified, the door is supplied with the handle on the right (DX).

Specify the side on which to apply the decoration when ordering : pull side (hinge) or push side (opposite the hinge)

The basic painting of the door (leaf and frame) is included in the price of Decoration.

NDD decoration that is different on both sides of the door but with the same basic colour of the leaf and frame, calculate the price of the 1st NDD and add the price of the 2nd NDD

NDD decoration different on both sides of the door and with a different basic colour: UPON REQUEST

Considering the importance of seeing the image complete with some FANTASY decorations, we advise carefully checking the combination with portlights, grills, handles, tracks and bases, etc.

In case of windows, by default the round or rectangular metallic frames will be painted the same colour as the base colour of the leaf. Upon request (without surcharge) round frames may be painted with the colour of the door frame.

The central profile on double leaf Proget doors with NDD FANTASY covering the whole push side leaf is covered by a decorated plate.

The NDD image can be adapted (enlarged or cut) according to the door measurements and can be seen in the PDF file that will be sent for approval.

# FINIMENTI PATTERN

## SPECIFICHE :

In caso di porte reversibili (Univer-Rever) specificare nell'ordine il senso di apertura della porta, se non precisato la porta viene fornita destra (DX) a tirare.

Specificare nell'ordine il lato di applicazione Decoro :  
lato tirare (cerniere) o lato spingere (opposto cerniere)

La verniciatura base porta (anta e telaio) é compresa nel prezzo del Decoro.

Decoro NDD diverso sui due lati porta ma con stesso colore di base dell'anta e del telaio, calcolare il prezzo del 1° NDD sommando il prezzo del 2° NDD.

Decoro NDD diverso sui due lati porta e con anche diverso il colore di base: A RICHIESTA

Considerato l'importanza di vedere l'immagine completa di alcuni decori FINIMENTI, si consiglia di verificare bene la combinazione con oblò, griglie, maniglioni, fascioni e zoccoli, ecc.

In caso di oblò, le cornici metalliche rettangolari e rotonde, vengono verniciate nel colore base dell'anta. A richiesta (senza sovrapprezzo) le cornici rotonde possono anche essere verniciate nel colore telaio.

Nelle porte Proget a due ante, con NDD FINIMENTI che interessa tutta la superficie dal lato a spingere, il montante centrale é previsto rivestito con un lamierino decorato.

L'immagine NDD puó essere adattata (ingrandita o tagliata) in funzione delle misure della porta e si potrá visualizzare nel file PDF che sará inviato per approvazione.

## SPECIFICATIONS :

When ordering reversible doors (Univer-Rever), specify the opening direction in the order. If not specified, the door is supplied with the handle on the right (DX).

Specify the side on which to apply the decoration when ordering : pull side (hinge) or push side (opposite the hinge)

The basic painting of the door (leaf and frame) is included in the price of Decoration.

NDD decoration that is different on both sides of the door but with the same basic colour of the leaf and frame, calculate the price of the 1st NDD and add the price of the 2nd NDD

NDD decoration different on both sides of the door and with a different basic colour: UPON REQUEST

Considering the importance of seeing the image complete with some PATTERN decorations, we advise carefully checking the combination with portlights, grills, handles, tracks and bases, etc.

In case of windows, by default the round or rectangular metallic frames will be painted the same colour as the base colour of the leaf. Upon request (without surcharge) round frames may be painted with the colour of the door frame.

The central profile on double leaf Proget doors with NDD PATTERN covering the whole push side leaf is covered by a decorated plate.

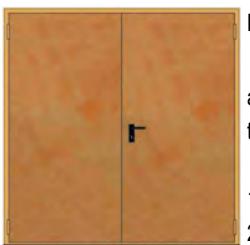

The NDD image can be adapted (enlarged or cut) according to the door measurements and can be seen in the PDF file that will be sent for approval.

## SPECIFICHE :

In caso di porte reversibili (Univer-Rever) specificare nell'ordine il senso di apertura della porta, se non precisato la porta viene fornita destra (DX) a tirare.

Specificare nell'ordine il lato di applicazione Decoro :  
lato tirare (cerniere) o lato spingere (opposto cerniere)

La verniciatura base porta (anta e telaio) é compresa nel prezzo del Decoro.

Decoro NDD diverso sui due lati porta ma con stesso colore di base dell'anta e del telaio, calcolare il prezzo del 1° NDD sommando il prezzo del 2° NDD.

Decoro NDD diverso sui due lati porta e con anche diverso il colore di base: A RICHIESTA

Considerato l'importanza di vedere l'immagine completa di alcuni decori PUBLICITY, si consiglia di verificare bene la combinazione con oblò, griglie, maniglioni, fascioni e zoccoli, ecc.

In caso di oblò, le cornici metalliche rettangolari e rotonde, vengono verniciate nel colore base dell'anta. A richiesta (senza sovrapprezzo) le cornici rotonde possono anche essere vernicate nel colore telaio.

Nelle porte Proget a due ante, con NDD PUBLICITY che interessa tutta la superficie dal lato a spingere, il montante centrale é previsto rivestito con un lamierino decorato.

L'immagine NDD puó essere adattata (ingrandita o tagliata) in funzione delle misure della porta e si potrá visualizzare nel file PDF che sará inviato per approvazione.

## SPECIFICATIONS :

When ordering reversible doors (Univer-Rever), specify the opening direction in the order. If not specified, the door is supplied with the handle on the right (DX).

Specify the side on which to apply the decoration when ordering : pull side (hinge) or push side (opposite the hinge)

The basic painting of the door (leaf and frame) is included in the price of Decoration.

NDD decoration that is different on both sides of the door but with the same basic colour of the leaf and frame, calculate the price of the 1st NDD and add the price of the 2nd NDD

NDD decoration different on both sides of the door and with a different basic colour: UPON REQUEST

Considering the importance of seeing the image complete with some PUBLICITY decorations, we advise carefully checking the combination with portlights, grills, handles, tracks and bases, etc.

In case of windows, by default the round or rectangular metallic frames will be painted the same colour as the base colour of the leaf. Upon request (without surcharge) round frames may be painted with the colour of the door frame.

The central profile on double leaf Proget doors with NDD PUBLICITY covering the whole push side leaf is covered by a decorated plate.

The NDD image can be adapted (enlarged or cut) according to the door measurements and can be seen in the PDF file that will be sent for approval.

## SPECIFICHE :

In caso di porte reversibili (Univer-Rever) specificare nell'ordine il senso di apertura della porta, se non precisato la porta viene fornita destra (DX) a tirare.

Specificare nell'ordine il lato di applicazione Decoro :  
lato tirare (cerniere) o lato spingere (opposto cerniere)

La verniciatura base porta (anta e telaio) é compresa nel prezzo del Decoro.

Decoro NDD diverso sui due lati porta ma con stesso colore di base dell'anta e del telaio, calcolare il prezzo del 1° NDD sommando il prezzo del 2° NDD.

Decoro NDD diverso sui due lati porta e con anche diverso il colore di base: A RICHIESTA

Considerato l'importanza di vedere l'immagine completa di alcuni decori SYMBOLS, si consiglia di verificare bene la combinazione con oblò, griglie, maniglioni, fascioni e zoccoli, ecc.

In caso di oblò, le cornici metalliche rettangolari e rotonde, vengono verniciate nel colore base dell'anta. A richiesta (senza sovrapprezzo) le cornici rotonde possono anche essere vernicate nel colore telaio.

Nelle porte Proget a due ante, con NDD SYMBOLS che interessa tutta la superficie dal lato a spingere, il montante centrale é previsto rivestito con un lamierino decorato.

L'immagine NDD puó essere adattata (ingrandita o tagliata) in funzione delle misure della porta e si potrá visualizzare nel file PDF che sará inviato per approvazione.

## SPECIFICATIONS :

When ordering reversible doors (Univer-Rever), specify the opening direction in the order. If not specified, the door is supplied with the handle on the right (DX).

Specify the side on which to apply the decoration when ordering : pull side (hinge) or push side (opposite the hinge)

The basic painting of the door (leaf and frame) is included in the price of Decoration.

NDD decoration that is different on both sides of the door but with the same basic colour of the leaf and frame, calculate the price of the 1st NDD and add the price of the 2nd NDD

NDD decoration different on both sides of the door and with a different basic colour: UPON REQUEST

Considering the importance of seeing the image complete with some SYMBOLS decorations, we advise carefully checking the combination with portlights, grills, handles, tracks and bases, etc.

In case of windows, by default the round or rectangular metallic frames will be painted the same colour as the base colour of the leaf. Upon request (without surcharge) round frames may be painted with the colour of the door frame.

The central profile on double leaf Proget doors with NDD SYMBOLS covering the whole push side leaf is covered by a decorated plate.

The NDD image can be adapted (enlarged or cut) according to the door measurements and can be seen in the PDF file that will be sent for approval.

## CONDIZIONI GENERALI DI VENDITA

### 1. ORDINAZIONE

Il presente modulo costituisce proposta irrevocabile per l'acquirente anche se la venditrice non accettasse uno o più elementi riguardanti a titolo esemplificativo e non tassativo i termini di consegna, i prezzi, le condizioni di pagamento, proponendone altri. Essa assume efficacia vincolante per la venditrice con l'accettazione e/o con l'esecuzione. La proposta d'ordine è regolata unicamente dalle seguenti condizioni generali di vendita. Qualsiasi patto aggiuntivo, integrativo, modificativo deve essere sottoposto in forma integrale alla venditrice contemporaneamente alla presente. Tali patti vincolano la venditrice solo in caso di loro accettazione per iscritto.

Le presenti condizioni generali di fornitura e pagamento costituiscono una parte essenziale, nonché integrante dei contratti di vendita e di fornitura stipulati tra la venditrice e l'acquirente.

Se l'acquirente che sottoscrive l'ordine chiede l'emissione di fattura intestata ad una Società di leasing, con cui garantisce aver stipulato un apposito contratto in tal senso e se la società di leasing, intestataria della fatturazione, non corrisponde quanto dovuto in base alla fattura, a prima richiesta della Ninz s.p.a., l'acquirente si impegna e si obbliga ad adempiere in luogo della stessa. Chi sottoscrive l'ordine garantisce personalmente di essere debitamente autorizzato ad agire per conto della propria società e che la presenti condizioni hanno carattere vincolante sulla società stessa.

### 2. PREZZI E MODALITÀ DI PAGAMENTO – RECESSO E RISOLUZIONE DEL CONTRATTO

Qualora ci fossero degli aumenti dei prezzi delle materie prime, la venditrice potrà, previo avviso scritto all'acquirente, aumentare i prezzi. L'acquirente avrà diritto di recedere dall'ordine, solamente in forma scritta ed entro e non oltre 7 giorni dal ricevimento della comunicazione di aumento. In difetto il nuovo prezzo comunicato si intende accettato. In caso di recesso rimarranno a carico dell'acquirente gli eventuali costi dei materiali che la venditrice avesse nel frattempo dovuto appositamente acquistare per l'esecuzione dell'ordine, quali ad esempio polveri per verniciatura personalizzata o vetri in dimensioni non standard.

Si accettano e hanno l'efficacia solutaria soltanto i pagamenti effettuati tramite banca alla sede della venditrice, con esclusione di agenti, rappresentanti, piazzisti, autisti, se non espressamente autorizzati all'incasso.

In caso di mancato o ritardato pagamento per oltre 10 giorni dal termine convenuto, ovvero qualora si verifichino eventi tali da comportare una diminuzione di affidabilità, la venditrice può validamente sospendere qualsiasi ulteriore consegna di prodotti all'acquirente, anche se relativa ad un diverso e separato contratto con l'acquirente e ciò fino a quando l'acquirente non abbia provveduto al pagamento dell'importo dovuto. Per ritardati pagamenti saranno applicati gli interessi pari al saggio in vigore, determinato dalla BCE, maggiorato di sette punti percentuali, ex D.Lgs n. 231/02.

L'acquirente si intende automaticamente in mora scaduto il termine di pagamento convenuto, senza che occorra la messa in mora. In caso di ritardato pagamento gli interessi di mora sono dovuti alla data della fattura.

## GENERAL SALE TERMS

### 1. ORDER

The completed order form submitted to the company NINZ S.p.A. (hereafter the seller) establishes an irrevocable order proposal for the buyer even in the event that the seller does not accept one or more terms not necessarily specified, but proposes alternatives for example the delivery date, the prices, the payment agreement. It is legally binding for the seller only after acceptance and/or execution. The order-proposal is solely regulated by the present general sales terms. Any additional, supplementary, modificatory agreement must be submitted in its complete form to the seller together with the order form at order time. Such agreements oblige the seller only after written acceptance.

The present general supply and payment terms are an essential and completing part of the sales and delivery contracts stipulated between the seller and the buyer.

If the buyer asks to issue the sales invoice to the name of a leasing company with whom he grants to have signed a specific contract, and if the leasing company header of the invoice does not perform the payment in due time, to first demand of NINZ s.p.a., the buyer engages himself to pay instead of the leasing company. The signatory of the order vouches for his authority that is authorized to act on behalf of his company and that the commercial terms of the order are binding for the company.

### 2. PRICES AND PAYMENT MODALITIES – WITHDRAWAL AND CANCELLATION OF CONTRACT

In case of price increase of the raw materials, the seller has the right to increase the prices, with prior written notice to the buyer. The buyer has the right to cancel the order exclusively in written form not later than 7 days from receiving the price-increase notice. In absence of cancellation the new price will be considered as accepted. In case of an order cancellation the costs of materials which the seller may have purchased to manufacture the ordered goods, for example customised powder-paint or glass of non-standard dimensions, will be charged to the buyer.

Payments in favour of the seller are accepted and have effectiveness only if they are made through a bank to the registered offices of the seller with the exclusion of agents, salespersons, intermediaries or truck-drivers unless specifically authorized in written form by the seller.

In case of missing payment or a delay of more than 10 days after the agreed term, or if any event occurs to decrease the reliability or reputation of the buyer, any delivery to the buyer can be stopped by the seller even if related to different and unrelated contracts with the buyer until the buyer pays the due amount.

For late payments the interest rate determined by the BCE + 7% will be implemented, ex Decree no. 231/02.

The buyer agrees and accepts the legal consequences if at the expiry dates the due invoices are not settled, without the need to have written notice from the buyer. In case of delayed payments interests will be due from the date of the invoice.

## CONDIZIONI GENERALI DI VENDITA

## GENERAL SALE TERMS

### 2. PREZZI E MODALITÀ DI PAGAMENTO – RECESSO E RISOLUZIONE DEL CONTRATTO

L'acquirente decade dal beneficio del pagamento rateale qualora anche solo una rata del pagamento convenuto non venga puntualmente ed integralmente pagata. Il contratto può essere risolto a insindacabile giudizio della venditrice qualora la stessa venisse a conoscenza di insoluti, protesti, variazioni nella forma sociale e/o di sminuita solvibilità finanziaria della ditta acquirente.

### 3. TERMINI DI CONSEGNA O APPRONTAMENTO MERCI

Tutti i termini di approntamento o consegna merci anche se espressamente convenuti sono da intendersi puramente indicativi, non tassativi e non vincolanti per la venditrice o essenziali per l'acquirente. Ritardi nell'approntamento e/o consegna dei prodotti ordinati, anche se dipendenti dalla venditrice non producono diritto alcuno di risoluzione anche parziale del contratto, risarcimento danni, o altro, in favore dell'acquirente. I termini di consegna decorrono dalla data di accettazione della proposta d'acquisto da parte della venditrice, non dalla data di spedizione alla venditrice.

La limitazione o la sospensione della produzione per causa di forza maggiore o comunque indipendenti dalla volontà della Ninz s.p.a., interrompono per tutto il loro perdurare il conteggio del termine di consegna promesso, senza legittimare, da parte del committente, il diritto di ridurre o annullare l'ordinazione e/o qualsiasi altra pretesa risarcitoria.

### 2. PRICES AND PAYMENT MODALITIES – WITHDRAWAL AND CANCELLATION OF CONTRACT

The buyer will be excluded from the benefit of payment by instalment even if only one partial payment is not punctually and fully paid. The seller to his unquestionable judgment has the right to cancel the contract in the event that he comes to knowledge about outstanding debts, legal challenges, changes in the corporate structure and/or reduced solvency of the buyer.

In case of deferred payment covered by credit insurance, the seller will demand the payment in advance or with customer's bank guarantees in case the insurance revokes the credit, even after the signature of an order confirmation stating deferred payment terms.

### 3. DELIVERY TERMS OR MERCHANDISE PREPARATION

All the merchandise preparation and delivery terms, even if specifically agreed, are to be intended as merely indicative, non-binding and non-mandatory for the seller or essential for the buyer. Delay in the preparation and/or the delivery of the ordered merchandise, even if this depends on the seller does not confer any right to the buyer for revoking even partially the contract, damage compensation, or else, in favour of the buyer.

The delivery terms start from the day the seller accepts the order and not from the day the buyer submits the order proposal. The limitation or interruption of the production due to force majeure or however occurring independently from the will of the seller interrupts for all its lasting the count of delivery time without giving the right to the buyer to reduce or cancel the order and/or for any other compensation demand.

## CONDIZIONI GENERALI DI VENDITA

### 4. TRASPORTI E RECLAMI PER DANNI ALLA MERCE – RESPONSABILITÀ

Anche se venduta franco destino, la merce si intende consegnata ad ogni effetto legale presso la sede della venditrice. La merce viaggia sempre a rischio e pericolo esclusivo dell'acquirente. Lo scarico della merce dal camion è sempre a cura e spese dell'acquirente a meno che non diversamente concordato per iscritto all'atto dell'ordine.

La garanzia sui prodotti forniti dalla Ninz s.p.a. dura dodici mesi dalla data di consegna dei manufatti. L'obbligo della garanzia consiste nella sostituzione o riparazione delle parti che a insindacabile giudizio della venditrice risultino affette da difetti o vizi di origine o di produzione. Sono escluse dalla garanzia tutte le parti tipicamente soggette ad attrito o consumo. E' inoltre esclusa la garanzia su parti potenzialmente soggette ad ossidazione o corrosione se non correttamente utilizzate o regolarmente sottoposte a manutenzione. La Ninz s.p.a. non è soggetta agli obblighi della garanzia per guasti, avarie e/o inefficienze derivanti da cause quali errata installazione, manomissioni volontarie o involontarie, cattiva manutenzione, trascuratezza ed incapacità dell'utilizzatore finale. Modifiche e riparazioni eseguite da persone non autorizzate per iscritto dalla Ninz s.p.a. comportano la perdita della garanzia.

La riparazione del materiale difettoso sarà sempre eseguita presso la Sede in Ala (TN) C.so Trento 2/A. Il Cliente, per valersi della presente garanzia, deve a pena di decadenza denunciare l'esistenza di vizi entro 8 (otto) giorni dalla consegna del materiale. La richiesta d'intervento dovrà essere inoltrata per iscritto indicando dettagliatamente il difetto lamentato, il numero di produzione delle porte difettate, la data dell'ordine e la data di consegna del materiale. Non verrà accettata dalla Ninz s.p.a. nessuna richiesta telefonica d'intervento. Per motivi operativi l'accettazione delle richieste di intervento potrà avvenire esclusivamente in orari di ufficio, dal lunedì al venerdì. Il ritardato o mancato pagamento, anche parziale, della fornitura, sospende ogni garanzia. Le garanzie non conferiscono al Cliente alcun diritto di sospendere o differire i pagamenti, che dovranno essere effettuati in ogni caso nelle forme e modalità stabilite all'ordine (e specificate nella ns. conferma d'ordine scritta).

Inoltre la NINZ S.p.a. si riserva di annullare la garanzia dei prodotti venduti se:

- 1) etichette o targhette riportanti il marchio del Produttore ed il numero di serie o di matricola sono state cancellate o rimosse;
- 2) il prodotto presenta tracce d'uso ovvero ha subito modifiche o lavorazioni meccaniche non espressamente autorizzate dalla Ninz S.p.a.;
- 3) il prodotto è stato utilizzato in modo non conforme alle istruzioni fornite o per scopi diversi da quelli di uso di destinazione.

La garanzia è dovuta esclusivamente al Cliente diretto della Ninz s.p.a. Qualora a seguito di nostra perizia si giustifichi l'applicazione della garanzia, il prodotto sarà riparato o sostituito; in caso contrario la riparazione sarà effettuata a titolo oneroso a carico del Cliente. Le spese di manodopera, di smontaggio, rimontaggio, di trasporto per intervento esterno del nostro Personale e di restituzione dei prodotti riparati o sostituiti sono a carico del Cliente anche in caso di riconosciuta garanzia. *Le presenti condizioni si intendono integralmente accettate dal Cliente all'atto dell'ordine.*

## GENERAL SALE TERMS

### 4. SHIPMENTS AND CLAIMS FOR DAMAGES TO THE GOODS – RESPONSIBILITIES

Even if sold carriage paid (CP) the merchandise is intended delivered by all legal means at the seller's factory. The merchandise travels always at risk of the buyer. The unloading of the merchandise from the truck is always at buyer's expense unless differently agreed in written form at order time.

The products supplied by the seller come with a guarantee of twelve months starting from the delivery date. The guaranty obligation consists in the replacement or restore to working order of the parts which to unquestionable judgment of the seller result affected by lacks or defects of origin or production. Excluded from the guarantee are all the typical parts subject to friction or wear. Guarantee is further excluded on parts potentially subject to oxidation or corrosion if not correctly used or regularly serviced.

The seller is not subject to the obligations of the guarantee for spoils, damages or inefficiencies due to causes of wrong installation, voluntary or unintentional tamperings, bad maintenance, negligence and incapability of the final utilizer. Adjustments or mendings performed by people not authorized in written form by the seller cause the loss of the guarantee.

The mending of the defected materials will always be performed at the seller's factory in Ala (TN), Corso Trento 2/a. To have the right for guarantee the buyer must denounce the existence of defects within 8 days from the day of the delivery of the materials. The request for guarantee performance must be submitted by writing, describing in detail the claim, the production number of the defected doors, the date of the order and the date of delivery of the material. Requests for guarantee performances by phone will not be taken into consideration. Due to operative reasons the guarantee performance requests can be considered during working hours solely, from Monday to Friday.

The late or missing payment of the supply, even partial, cancels any guarantee. Guarantee cases do not confer to the buyer the right to omit or delay payments which have to be executed in any case on in accordance with the terms and according to the modalities agreed at order time (and specified in the seller's written order confirmation).

Further, the seller keeps the right to cancel the guarantee if:

- 1) stickers or metallic labels displaying the producer mark and the serial number have been erased or removed;
- 2) the product shows usage traces or has been modified or has undergone mechanical works not expressly authorised by the seller;
- 3) the product has been utilised in a way not conform to the submitted instructions or for scopes different from destined usage.

The guarantee is due exclusively to the direct buyer of the seller. After the defect evaluation in case the guarantee performance is justified the product will be mended or replaced; on the contrary the performance will be carried out against payment at buyers expenses. The costs of labor, dismantling, re-installation and transportation for guarantee cases and for staff to work outside the seller's factory and for returning of repaired or replaced products are at buyer expenses even in case of recognized guarantee. *The present conditions are to be intended as fully accepted by the buyer at the time of order.*

## CONDIZIONI GENERALI DI VENDITA

### 4. TRASPORTI E RECLAMI PER DANNI ALLA MERCE – RESPONSABILITÀ

La venditrice ed i propri dipendenti/collaboratori non sono tenuti a verificare, se la merce ordinata sia o meno idonea all'uso cui è destinata, in particolar modo per le condizioni e modalità di messa in opera. Contestazioni relative ai vetri, in particolare di quelli REI che presentano per procedimento produttivo una difettosità accentuata e particolare, saranno accettate solo se le difformità non rientrano nei parametri di accettabilità del produttore del vetro. I parametri variano a seconda del tipo di vetro e i documenti in cui sono specificati sono ottenibili su richiesta dell'acquirente all'atto dell'ordine. I vetri REI e le verniciature superficiali delle porte, anche se in esecuzione tonalità RAL speciali, non sono adatti per applicazioni all'esterno deteriorandosi rapidamente sotto l'azione dei raggi ultravioletti e dell'acqua.

Anche il magazzinaggio precedente la posa in opera deve avvenire in luogo protetto dagli agenti atmosferici.

Per la corretta posa in opera, assieme alle porte verranno consegnate le istruzioni relative. A meno che non specificato diversamente sul frontespizio della presente commissione il sistema di fissaggio è da intendersi del tipo a muro con zanche da murare e riempimento del vuoto del telaio contro la parete con malta cementizia.

L'acquirente è tenuto ad ispezionare prontamente i prodotti al momento della consegna.

### 5. MANCATO RITIRO MERCE

In difetto di ritiro merce sarà depositata ed individuata nei magazzini della venditrice o in altro luogo di sua scelta, con avviso all'acquirente a mezzo R.R.R. La venditrice avrà diritto di esigere il pagamento dell'intero prezzo secondo le modalità e scadenze contrattualmente stabiliti. Oltre il prezzo la venditrice ha diritto di richiedere le spese di trasferimento e immagazzinaggio.

In caso di mancata accettazione per qualsiasi motivo della merce spedita, tutte le spese di trasporto dagli stabilimenti di produzione o deposito a destino e ritorno, sono a completo carico dell'acquirente come ogni altra spesa per carico/scarico di quanto spedito e respinto.

## GENERAL SALE TERMS

Claims for aesthetic defects regarding glasses, particularly those of the fire rated insulated types, defects which may be normal due to special production-procedure, will be accepted only if they fall outside the acceptance parameters of the glass producer. They vary depending on type of glass. The documents containing these parameters can be submitted to buyer's request at order time.

The fire rated glasses and the painting of all doors even in special RAL colour are not suitable for outside use, as deterioration occurs rapidly if exposed to ultraviolet rays and water action.

Also the storage before installation must be done in an area protected from atmospheric agents.

Instructions for a correct installation are supplied with the doors.

Unless differently specified on the order or installation form, doors have to be installed in the wall with metallic brackets and cement-mortar filled in the space between the frame and the wall. The buyer engages himself to inspect quickly the merchandise at receipt.
